

# On the Set of "A Week in London" with Candace Kita

We caught up with actress Candace Kita on the set of her latest film, A Week in London. Cast alongside Julia Faye West, Denise Richards and Mike Tyson, Candace plays a 450 lb. woman who loses weight to become the next Kim Kardashian. This process involved heavy special effects makeup and prosthetics and we were able to watch this process unfold before our very eyes!

*Candace going through 5 hours of prosthetic hair and makeup to become Dong Su on the set of "A Week in London"*

*In full prosthetic makeup as "Dong Su", the 450 lb. woman*

*Losing half of her weight, a new Kristy*

*Denise Richards, Candace Kita, Dousa Mousa and Jessica De Bonneville on location for "A Week in London"*
